PROCESSING COMPLAINTS IN FSC CERTIFICATION SCHEME

FSC-PRO-01-008 (V2-0) EN

The Forest Stewardship Council® (FSC®) is an independent, not for profit, non-government organization established to support environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

FSC's vision is where the world's forests meet the social, ecological, and economic rights and needs of the present generation without compromising those of future generations.

Foreword

The FSC Dispute Resolution System provides a framework for the resolution of disputes that stakeholders may have with the FSC Board of Directors, the FSC and/or its affiliates, the ASI, FSC accredited Certification Bodies or FSC Certificate Holders.

The framework consists of three procedures which detail the process according to the nature of the dispute and the respective roles of the different parties involved in the process. This procedure deals with complaints regarding the FSC normative framework or the performance of FSC International, the FSC Network as well as complaints regarding the performance of ASI.

V2-0: revised to distinguish between Policy for Association complaints (FSC-PRO-01-009) and other Complaints in the FSC Certification Scheme (this procedure). The basic principles of the FSC Dispute Resolution System that were formerly presented in FSC-STD-01-005 *FSC Dispute Resolution System* have been incorporated into this procedure (clauses 1 and 2).

These can be complaints regarding the FSC normative framework or the performance of FSC International, the FSC Network as well as complaints regarding the performance of ASI.

This procedure does not deal with complaints under the Policy for Association for which a specific procedure is available (FSC-PRO-01-009).

All aspects of this procedure are considered to be normative, including the scope, effective date, references, terms and definitions, tables, notes, addendum and annexes, unless otherwise stated.

B Effective date

Version V2-0 of this procedure becomes effective on **28 May 2014**.

1 Principles of the FSC Dispute Resolution System

1.1 Disputes should be resolved in the first place by discussion and negotiation or mediation. Formal procedures, including committees, should only be adopted as a last resort.

1.2 Disputes should always be addressed at the lowest level possible and stakeholders are strongly encouraged to follow this principle (see Annex 2).

NOTE: Disputes not addressed initially at the lowest level possible will be forwarded to the correct instance, which may impact the time to resolve the dispute.

1.3 Any dispute related to the FSC Certification Scheme shall be treated with procedural fairness and incorporate the following guidelines:

1.3.1 A person or organisation, who is the subject of a complaint, should be given adequate notice about the proceedings (including details of the complaint).

1.3.2 A person making a decision should declare any personal interest they may have in the proceedings.

1.3.3 A person who makes a decision should be unbiased and act in good faith. Therefore decision-makers cannot be one of the Parties to the Complaint or Appeal, nor have an interest in the outcome.

1.3.4 Proceedings should be conducted with fairness to all the Parties to the Complaint or Appeal.

1.3.5 Each party to a proceeding is entitled to ask questions and contradict the evidence of the opposing party.

1.3.6 A decision-maker should take into account relevant considerations and mitigating circumstances, and ignore irrelevant considerations.

1.4 FSC shall inform Network Partners in countries where stakeholders may be affected by a dispute.

1.5 The FSC Director General may delegate complaints and appeals to FSC senior staff as appropriate.

2 Complaints in the FSC certification scheme

2.1 Complaints about the FSC normative framework, the performance of FSC International, the FSC Network as well as complaints regarding the performance of the ASI are dealt with by FSC and processed according to the procedure FSC-PRO-01-008.

2.2 Complaints against organizations associated with FSC about their compliance with FSC-POL-01-004, the Policy for the Association of Organizations with FSC, are dealt with by FSC and processed according to the procedure FSC-PRO-01-009.

2.3 Complaints against FSC certified organizations about their compliance with the FSC certification requirements are dealt with by the Certification Body who issued the

certificate and processed according to the Certification Body's own complaint procedure.

NOTE: FSC strongly encourages stakeholders to resolve their grievance in the first place by discussion and negotiation with the FSC certified organization.

- 2.4 Complaints against the performance of FSC accredited Certification Bodies are dealt with by Accreditation Services International and processed according to the procedure ASI-PRO-20-104.

NOTE: Complaints shall first be directed to the relevant Certification Body and processed according to the Certification Body's own complaint procedure.

- 2.5 The Complainant should file the complaint to the correct complaint handling body. If the complaint is not submitted correctly, FSC will support the complainant in filing it correctly.

3 General requirements for complaints against FSC

- 3.1 Any individual or organization may file a complaint against the FSC Certification Scheme (including the FSC Accreditation Program).
- 3.2 Complainants shall always disclose their identity to FSC. - 3.3 FSC will endeavour to address promptly any expression of dissatisfaction that is brought to its attention.
- 3.4 In extraordinary cases the FSC Director General has the discretion to extend any timelines indicated in this procedure for a cumulative maximum of 30 days. All Parties shall be informed accordingly.

- 5.2 For complaints handled by FSC this procedure and the following process will be applied:
- 5.2.1 Within thirty (30) days of the receipt of the complaint, an assigned staff member shall contact the Parties to the Complaint by e-mail or phone to attempt to informally resolve the issue in direct communication. The assigned staff member shall keep a record of the conversations, including date, time and a summary of issues discussed, as well as a copy of all hardcopy and electronic communication.
 - 5.2.2 If an informal resolution is not possible, the assigned staff member will investigate the issue and provide the FSC Director General with a recommendation on the complaint.

- 5.2.3 Additional information may be requested from the Complainant, the Defendant, third parties named as sources of information in the complaint or other Parties likely to have information relevant to the investigation.
- 5.2.4 The FSC Director General shall provide the Parties to the Complaint with a response within sixty (60) days from receiving the complaint. The response shall include a conclusion on the complaint, the rationale for the decision and, if applicable, any follow up measures to be taken.
- 5.2.5 If no further issue arises, the complaint is considered resolved and the respective case file closed.
- 5.2.6 The lack of cooperation by the Complainant may be considered as grounds for discontinuation of the process. The FSC Director General shall decide if a complaint process shall be discontinued.
