The Forest Stewardship Council® (FSC) is an independent, not for profit, non-government organization established to support environmentally appropriate, socially beneficial, and economically viable management of the world’s forests.

FSC’s vision is where the world’s forests meet the social, ecological, and economic rights and needs of the present generation without compromising those of future generations.

Contents

A	Objective
B	Scope
C	Effective and validity dates
D	References
E	Terms and definitions
1	Document flow
2	List of national risk assessments
3	List of other normative documents
Annex A	List of documents approved according to version 2-0 of FSC-PRO-60-002.

A Objective

The objective of this document is to provide references of normative documents to be used for FSC controlled wood certification by stakeholders.

B Scope

This addendum lists the national and regional risk assessments that have been developed in accordance with the process specified in *FSC-PRO-60-002* and have been evaluated and approved by FSC.

C Effective and validity dates

Approval date	10 November 2014
Publication date	01 December 2014
Effective date	01 January 2015
Period of validity	until 31 December 2019 (or until replaced or withdrawn)

This document will be updated as new documents are approved.
Dates of updates of this document are specified below.

D References

No documents are indispensable for the application of this procedure addendum. This addendum however is indispensable for the application of other normative documents (*FSC-STD-40-005 Requirements for Sourcing FSC Controlled Wood*).

E Terms and definitions

For the purpose of this procedure, the terms and definitions provided in *FSC-STD-01-002 FSC Glossary of terms*, *FSC-PRO-06-002 The Development and approval of FSC National Risk Assessments* and *FSC-STD-40-005 Requirements for Sourcing FSC Controlled Wood* apply.

1 Document flow

- 1.1 An NRA approved according to *FSC-PRO-60-002 V2-0* ('old NRA') remains valid until replaced by an FSC risk assessment approved according to *FSC-PRO-60-002 V3-0*, but no longer than until 30 June 2019.

NOTE: National risk assessments approved according to version 2-0 of *FSC-PRO-60-002* are listed in Annex A of this procedure addendum.

- 1.2 If an 'old NRA' is not replaced by the FSC risk assessment approved according to *FSC-PRO-60-002 V3-0* by 30 June 2019, the area covered in the 'old NRA' becomes unassessed area. Organizations sourcing material from this area will be required to develop extended company risk assessments (ECRA) instead.
- 1.3 Approved FSC risk assessments are available on the FSC document center (<https://fsc.org/en/document-centre>).
