

## ROADMAP TO END DISASSOCIATION WITH APP IS OPEN FOR CONSULTATION

April 4, 2016

From 4 April to 1 May 2016, FSC international members are invited to consult on a draft roadmap outlining the commitments required from Asia Pulp and Paper (APP) before the FSC Board of Directors will consider ending its disassociation.

FSC began its talks with APP to develop the roadmap in August 2015, and has been in regular contact ever since. The roadmap outlines five high-level commitments that APP is expected to make in order to conform fully with the FSC Policy for Association.

An informational webinar will be organised – in English and Bahasa. And a targeted regional consultation will take place in Indonesia to collect constructive feedback and the views of affected stakeholders.
