Steps	FSC Trace Visual
<p>1 Find core information points via the FSC Search platform.</p> <p>Navigate to search.fsc.org to access FSC's public database.</p>	
<p>2 Select what category you'd like to search by.</p> <p>Using the tabs on the homepage, choose from four different kinds of documentation to search:</p> <ul style="list-style-type: none"> • FM (Forest Management) or COC (Chain of Custody) certificates • Projects Certificates • Promotional Licenses (Retailers of FSC certified products) • Forest Management Evaluation Reports. 	
<p>3 Find your trading partner.</p> <p>Enter the organization's name, license code, or certificate code to begin the search. Or use advanced search if you need more search field options, like country of operation, product group or species relevant.</p>	

4 Review and verify search results.

Find the trading partner, you are looking for. Select your trading partner in the table of **Quick Results**. The result will give you key information points to identify your trading partner by certification status, company name and country of origin.

Note that companies with multi-side or group certification will generate multiple results in the listing. All subsites will take you to the main certificate, when you inspect them in the next steps. (step 5 - 7)
